

Test 1

Section 1

Correspondence

You have received an email from your English friend, who is struggling to choose which subject to study further at school: French or geography. Reply to your friend and give him some advice on what you think each subject could mean for him one day in the world of work.

The image shows a digital document editor interface. At the top, there is a toolbar with several icons: a left arrow, a right arrow, a trash can, and a document with a pencil. To the right of these icons is a folder icon labeled "New document". Further right are two circular buttons, one with a plus sign and one with a minus sign. Below the toolbar is a search bar with a magnifying glass icon. The main area of the editor is a large, empty white space with horizontal lines, intended for writing a response.
