

WORLD OCEANS DAY

Summer project

This month, instead of giving exam practice, we are going to suggest a holiday project. Hand out the Worksheet 1 and ask the children to complete it by ticking the sentences that describe their summer. Encourage them to add illustrations, photos, tickets... The most adventurous may want to incorporate the questions into a summer diary or scrap book.

In July, I:

- stayed at home
- went to the swimming pool
- visited my family
- went abroad
- went to a camp

In August, I:

- stayed at home
- went to the swimming pool
- visited my family
- went abroad
- went to a camp

I saw these English words:

I heard these songs in English:

I learnt some new English words:
